## Staff Profile

Name:	Louise Seager
Job title/role:	Louise is a workshop supervisor for the BA (Hons) Fashion & Textiles course.
Subjects taught/administrative responsibilities:	Louise teaches the following modules/skills: Pattern Cutting; Garment Construction; Textile Processes
Qualifications and Membership of Professional bodies:	BTEC HND Light Clothing, London College of Fashion.
Experience in Education:	Louise studied at the London College of Fashion, gaining skills in pattern cutting, design and garment construction. This led to work at Courtaulds, River Island and other London design houses. After leaving London, she ran her own business designing and creating wedding dresses and special occasion wear.
Professional practice / research interests:	In recent years she has learnt new innovative pattern cutting techniques such as Transformational Reconstruction, a form of origami pattern cutting and vintage couture techniques.
