Getting Ready to Study Digital Media at College

The 'Getting Ready' list below gives you resources and activities you can use to get ready for when your course starts at Colchester Institute in September. We have picked mostly resources and activities you can access on-line and we have some suggestions too of other resources in the 'Going Further' section.

Getting Ready to study Digital Media at Colchester Institute

[Digital Media - Preparing for College Website](#)

This is a newly created website aimed at all prospective students studying Digital Media Courses at Colchester Institute, either at Braintree or Colchester campuses:

- Esports and Digital Marketing
- Film and TV Production
- Interactive Media and Games Design
- Visual Effects (VFX) and Animation

You will find a range of activities and information for you to explore and examples of previous student's projects. Over the coming weeks we will be adding further resources and activities to help prepare you for studying your Digital Media Level 2 or Level 3 course.
