

Engineering and Manufacturing – Kit and PPE List

Please see below a list of kit and/or PPE that you will need for your course. We would encourage you to purchase these items before you start your course in September:

For your theory lessons

- Memory Stick
- Pens and Pencils
- Casio FX85 GT (Plus/X) preferable
- Rule/Protractor/30/90 triangle
- Ring Binder folder
- Note pad

For your practical lessons

Fabrication and Welding – Flame retardant overalls, steel toe cap boots, welding helmet. Colchester Institute does provide welding gloves and safety glasses, but if you would like to purchase your own, you can.

Mechanical, Maintenance and Electronic Engineering – Lab coat or overalls, steel toe cap boots. Colchester Institute does provide safety glasses, but if you would like to purchase your own, you can.
