

## **Science and Forensic Investigation\* – Kit and PPE List**

Please see below a list of kit and/or PPE that you will need for your course. We would encourage you to purchase these items before you start your course in September:

### **For your lessons**

- Paper
- File/folder
- Pens and pencils
- For Level 3 a calculator
- Preferred is a laptop or tablet to allow notes to be accessible and you can then manipulate for revision activities.

\*Forensic Science learners may also be required to purchase an exclusion suit for crime scene exercises during the year (there is an approx. cost of £10). Tutors will let you know if you need to purchase this once you start your studies.
