What will the course help me to do?

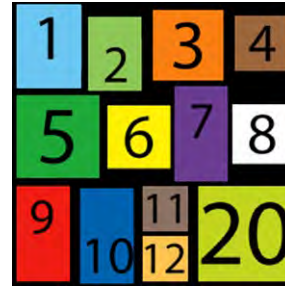

This course is aimed at students who are currently working at entry level and have additional learning support needs. It is designed to enable learners to make independent choices, develop their personal and social skills and to communicate effectively.

Delivery is through a learner centred approach involving a wide range of activities. This includes a high volume of practical based sessions, learning in the community and small group work.

What to expect...

- You will be working with different people
- You will be working on varied tasks and subjects
- You will be encouraged to challenge yourself
- You will learn to solve problems in new ways
- You will enjoy your time at college

What subjects will I study?

Further developing
Maths and English
skills

We will also take part in:

Arts and Crafts Mini Enterprise

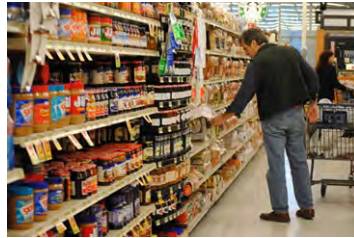

This may include handwritten work and work on a computer. It may also include photos of you doing practical activities.

Using IT for learning, life and work

Kitchen Skills

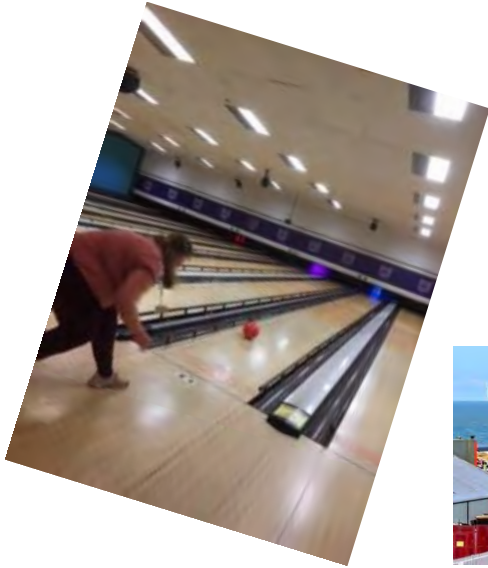

You may have the opportunity to create dishes and meals in our kitchen. Helping you to develop kitchen skills, health and safety awareness and working with others.

Enrichment Activities

You may take part in activities that take you away from college, such as bowling and Colchester Zoo. These activities help you build your team work and communication skills.

Gardening

How do I get in touch with the college?

Please use the following email address if you need to get in touch.

If you prefer, we can arrange a phone call with one of our team.

FSLColchester@colchester.ac.uk.
