

Task 1

Research a hairdresser of your choice, perhaps a well-known hairdresser like; Sophia Hilton or Patrick Cameron or a stylist of your choice that has inspired you. This can be a YouTube influencer, Instagram or a Hair artist that works on TV.

Write a biography- **minimum 250 words** about their career in the hairdressing industry.

## Task 2

Create a mood board of your chosen stylists work that has influenced your creation.

It must be no bigger than A3 and be created on either paper or thin card, showcasing your idea.

Your mood board must include-

1. Name of your chosen stylist
2. Hair looks that have been used as inspiration for your creation.

Mood Board example; But remember there needs to be written explanations of why you have chosen this stylist.

## Task 3

Recreate and photograph a hair look following the style of your chosen Hair artists work.

You can add how you would like to develop this look and what skills you are excited to learn to enhance your style.

The written task, mood board and photograph are to be handed in on your first day, please make sure your name is written somewhere on your work.

We look forward to seeing your creation.
