

ADULT SKILLS CENTRE

Introduction to Construction

The Construction industry offers many varied roles. The industry standard requires anyone entering a construction site to have a CITB CSCS card. This course will enable learners to meet this requirement.

The following units are covered:

- Introduction to Construction and Building
- Environmental Sustainability*
- Health and Safety in the Workplace
- Principles of Building, Construction, Information and Communication

**this unit is also available as a stand-alone course*

Successful completion can lead to applying for the Construction Industry Training Board Labourer (Green) Card. Conditions apply.

ADULT SKILLS CENTRE

Colchester Institute has Adult Skills Centres in Braintree, Clacton, Colchester and Dovercourt.

Adults are able to access a range of employability courses with content directed at particular sectors including Construction, Hospitality and Care. These complement qualifications in English, Maths and IT, which employers state as the most valuable skills for new recruits to their organisations.

Courses are online with facilitated support, which allows for greater learning flexibility.

Our Adult Skills Centres, in partnership with the National Careers Service, can arrange an Advice and Guidance appointment with an impartial Careers Adviser. The adviser can help you to review, plan and make effective career-related decisions about your future learning, training and/or employment opportunities.
