

Hair & Beauty Icons

Research Project

To develop a better understanding of the industry you have chosen to study a research project has been set. This will help you recognise and develop an understanding of the career paths and impact your chosen icon has had on the Hair, Beauty, Fashion and Media Industry.

You are required to research three famous Hairdressers, Beauty Therapists and Makeup Artist icons of your choice from the industry.

Need some inspiration, select from the list below or someone of your own choosing...

- Abbie Roberts
- Pat McGrath
- Patrick Cameron
- Sam McKnight
- Beverley Cobella
- Errol Douglas
- Vidal Sassoon
- Nina Flowers

Once you have chosen your three icons you need to produce a fact sheet about each one and include the following:

- Why you have chosen this person- what inspires you about them?
- What impact have they had on the industry?
- You must include some images of their work to support your choices.

Be creative.....
