

STUDENT NAME: \_\_\_\_\_

COURSE \_\_\_\_\_

Assignment Brief

Each year the Salon Studies department organises a hair & make-up competition. The competition theme changes each year, last year's theme was 'The greatest showman'.

As you are planning on studying on a course where you will have to take part in the competition we want you to suggest a possible theme.

You need to 'pitch' an idea that could be around the theme.

You will need to create a mood board, which must be no bigger than A3 and be created on either paper or thin card, showcasing your idea.

Your mood board must include-

1. A title of your theme idea
2. An explanation why you have chosen this theme
3. Some hair & make-up looks that could be used as inspiration

This mood board is to be handed in on your first induction day, make sure your name is written somewhere on your work.

Mood Board examples but remember there needs to be written explanations of why you have chosen this idea.

There is a variety of creating mood board tutorials available on 'you tube'
