

# Association for Project Management Qualifications

Join Colchester Institute on a learning journey to become a more effective and dynamic Project Manager through our Project Management Qualifications, accredited by the Association for Project Management (APM).

## Level 4 APM Project Management Fundamentals

### Who is this training for?

The Project Management Fundamentals offers a structural awareness of project management terminology giving you the knowledge to make a positive contribution to any project. This qualification is for those wanting a broad understanding of the principles of the profession. You don't need any prior knowledge or experience for this qualification.

## Level 4 APM Project Management Qualification

### Who is this training for?

The APM Project Management Qualification is a knowledge-based qualification. It enables you to demonstrate knowledge of all elements of project management. You'll be able to demonstrate an understanding of how these elements interact and how your project fits into your strategic and commercial environment.

This qualification is for those wanting to participate in projects of all sizes. You'll typically have some pre-existing project management knowledge. It's the ideal next step for anyone holding the APM Project Fundamentals Qualification.

**Accredited by the  
Association for Project Management**
