How can an Accounts Assistant apprentice benefit my business?

An accounts or finance assistant is an integral part of the team responsible for maintaining an efficient and accurate finance function within a business. The accounts or finance assistant is responsible for assisting the team of accountants with junior accounting duties.

Who is the Accounts Assistant apprenticeship for?

An Accounts or finance assistant's work could include basic bookkeeping activities, working with sales and purchase ledgers, running calculations to ensure that records and payments are correct, recording of cash and data entry. Accounts or finance assistants can work in almost any sector.

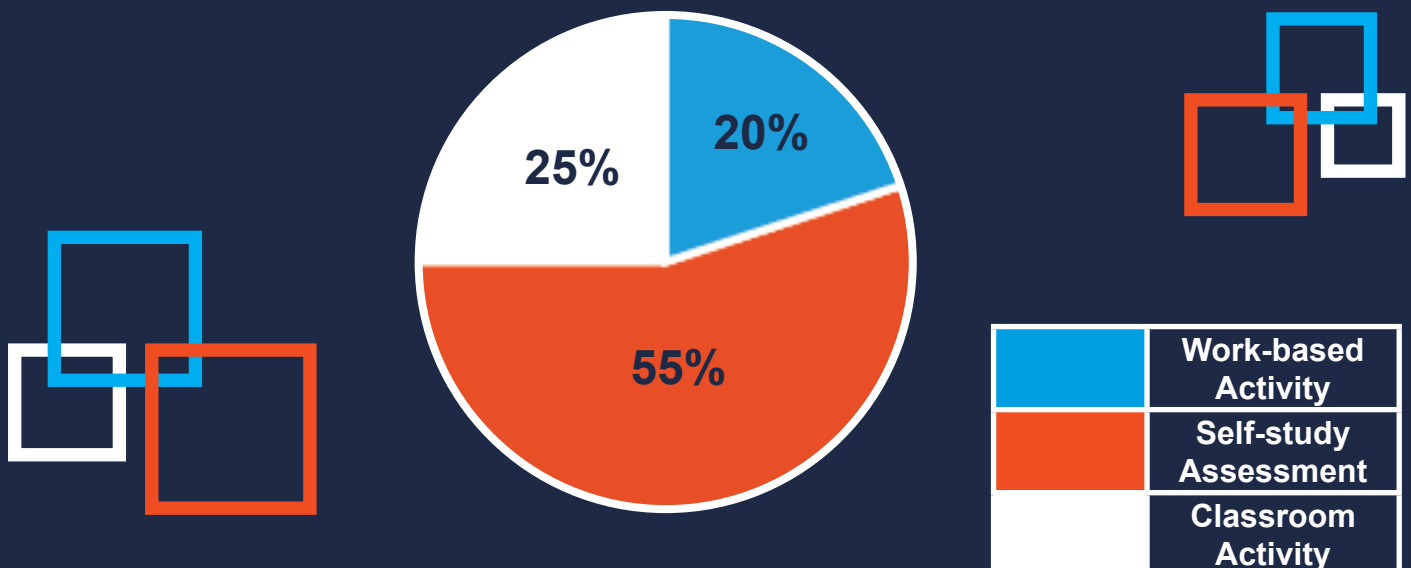

What will it cost the business to take on an apprentice?

Levy-paying employers in England can use funds in their Apprenticeship Service Account to fund apprenticeship training costs.

Non-levy paying employers: The government will fund between 95% - 100%* of the cost of training an apprentice.

*This depends on how many people are employed within the company, the age of the apprentice and also if they have been in care or have a Local Authority Education, Health and Care Plan

How is the '20% off-the-job' training delivered?

Functional Skills

If your apprentice does not hold a GCSE 4/5 or equivalent in English and maths, they will be required to complete functional skills. Delivery options will be agreed upon before the commencement of the apprenticeship.

End Point Assessment

The EPA tests and validates the knowledge, skills and behaviours that an apprentice has gained during their training and demonstrates the competence of an apprentice in their role. This assessment for the Accounts or Finance Assistant apprenticeship consists of:

- An online synoptic assessment
- Professional discussion supported by a portfolio of evidence
