

Finance and Accounting Apprenticeships - Employer Information Event

**Your invitation to find out more about our
flexible and blended offer at Colchester
Institute**

We are inviting you to come and find out more about how flexible accounting apprenticeships at Colchester Institute can work for you, for both existing and new staff members.

When: Thursday 8th February, 12-1.30pm (Online Event)

This event is a fantastic opportunity for you to learn about our finance and accounting apprenticeships.

We will discuss:

- Our finance and accounting learner success rates and achievement
- Take a look at our online system and learn how it works and our data analytics
- How finance and accounting apprenticeships work for all sectors
- The benefits of fitting studies around work
- The lovely progression route from the entry level to higher level apprenticeships
